

To all at Ambulance Private 25/11/98

David.

Just a note to thank you for being so great with my Mum. Joy ~~like~~ You really made a difference!! She was much happier attending Holman Clinic when she knew she would be moved carefully, not kept waiting and most importantly treated with respect.

My Mum was a wonderful person and your help with her was greatly appreciated. She thought you were wonderful!!

Wishing you heaps of success with Ambulance Private.

THANKS

Dear David,

Thank you very much for the help you gave me in your ambulance. You were so caring and kind to me. I got a tremendous shock when I was told I had to travel by Taxi.

Good luck with what you decide to do in the future with your new ambulance.

Yours sincerely
